Full-time Diploma holder or Residency trained Veterinary Cardiologist Required

This is a unique opportunity to join Cheshire Cardiology, a friendly, independent, Specialist-led cardiology referral service in the north of England. Due to continued expansion, we are seeking a full-time experienced and enthusiastic DVC/ACVIM/ECVIM-CA board-certified cardiologist or Residency trained veterinary cardiologist to join us at our premises and be hospital based. You will be supported by a RCVS Specialist in veterinary cardiology, 2 cardiology clinicians (1 Advanced practitioner), one cardiology intern and a team of experienced nurses. The ideal candidate will have a love of cardiology, will hold a passion for teaching and should be able to lead the cardiology referral service when needed.

Why Cheshire Cardiology:

We are fully equipped in our state-of-the-art purpose-built building. Equipment includes a GE Vivid E95 with transoesophageal probe and 4D capability, 2 Vivid iQs and Vivid Q, Echopac workstation and a full range of the usual cardiology equipment. We have a varied and interesting caseload and are proudly independent. We offer a busy cardiology referral service including interventional cardiology and are involved in 3 clinical trials. We are passionate about clinical research therefore can be flexible for the right candidate. We offer a three-week clinical rotation in cardiology to Harper Keele vet students. Although ECVIM-CA or ACVIM cardiology boarded is preferable, we would consider those who have completed a residency training programme. Expertise performing cardiac interventions is desirable, but not essential.

We are located close to Manchester and Liverpool airports, with close links to the M6, M56 and M62 motorways. The Peak District, Lake District, Scottish borders and beautiful North Wales coastline are all nearby. Teamwork is critical at Cheshire Cardiology and a healthy work-life balance with flexible working is prioritised. We are extremely flexible and would consider a job share or flexible working to suit. Terms and conditions are negotiable.

Benefits include:

- Competitive salary.
- Competitive pension.
- 6 weeks holiday plus bank holidays and birthday leave.
- RCVS, VDS, ESVC and VCS fees paid.
- Two weeks of paid CPD leave with a competitive CPD budget.
- Enhanced parental leave.
- Eyecare voucher scheme.
- Opt-in scheme for private medical insurance.

For an informal chat or to apply please email emily@cheshirecardiology.com. To apply for this position, you must be eligible to work in the United Kingdom.
